Our parties are a great way for kids and adults to celebrate. A unique experience is had by all at **Events@Sherlake**, where we do the work, and you have the fun.

Our **converted warehouse** is the magical stage for an indoor playground that features **huge inflated games** like a 22-foot-high slide, a 65-foot-long obstacle course, rock climbs, and bounce houses.

It's perfect for birthdays from age 4 through high

school. Parents can provide a fun, safe, and active party without any effort and there's no mess at the house. We set up, clean up, and serve.

Also great for clubs, organizations, churches, or businesses looking for a unique offsite opportunity. For reservations call today, **692-0233**.

A sampling of our games include:
